If you are a member of BAND and would like some advice about how to get the most out of your advert, or managing a selection and recruitment campaign, please get in touch with us.

Attachments:

If you'd like us to include any additional supporting documents with your listing, such as application forms or job descriptions, please provide these electronically as either PDF or Microsoft Word files.

If you would like us to include your logo with the advert, please provide a small electronic version of it, with a file size no bigger than 5MB in one of the following file formats - .png,.gif, .Jpg,.Jpeg

DBS checks:

Due to government legislation on working with children and vulnerable adults, most posts advertised will require Enhanced DBS (Disclosure & Barring Service) checks and satisfactory references. It is the advertisers' responsibility to check both DBS status and references, the applicants will reply directly to the advertisers, not through BAND.

Format and editing:

When we list an advert for you we reserve the right to edit. As soon as we list your advert we'll check it with you to make sure you're happy.

Changes to the advert:

You can change the text or details of an advert at any time by getting in touch with us. If you'd like to extend the application deadline please let us know, although if your advertised date goes over 2 months from the original listing this will be considered a new advert.
